HERRAMIENTAS INFORMÁTICAS: NAVEGADOR, PORTAL WEB REACH-IT Y IUCLID 5

NAVEGADOR

Navegador. ¿Qué es y cómo funciona?

- **Herramienta informática on-line gratuita diseñada para ayudar a fabricantes, importadores, usuarios intermedios y distribuidores de sustancias químicas y productores e importadores de artículos a determinar sus obligaciones respecto al Reglamento REACH. (Diagnóstico).**
- **Realiza una serie de preguntas estandarizadas (tipo test) sobre una sustancia determinada y a partir de las respuestas identifica y muestra las obligaciones pertinentes.**
- **Depende de las respuestas introducidas. Recomendable consultar las explicaciones de la parte inferior de cada pregunta.**

PORTAL WEB REACH-IT

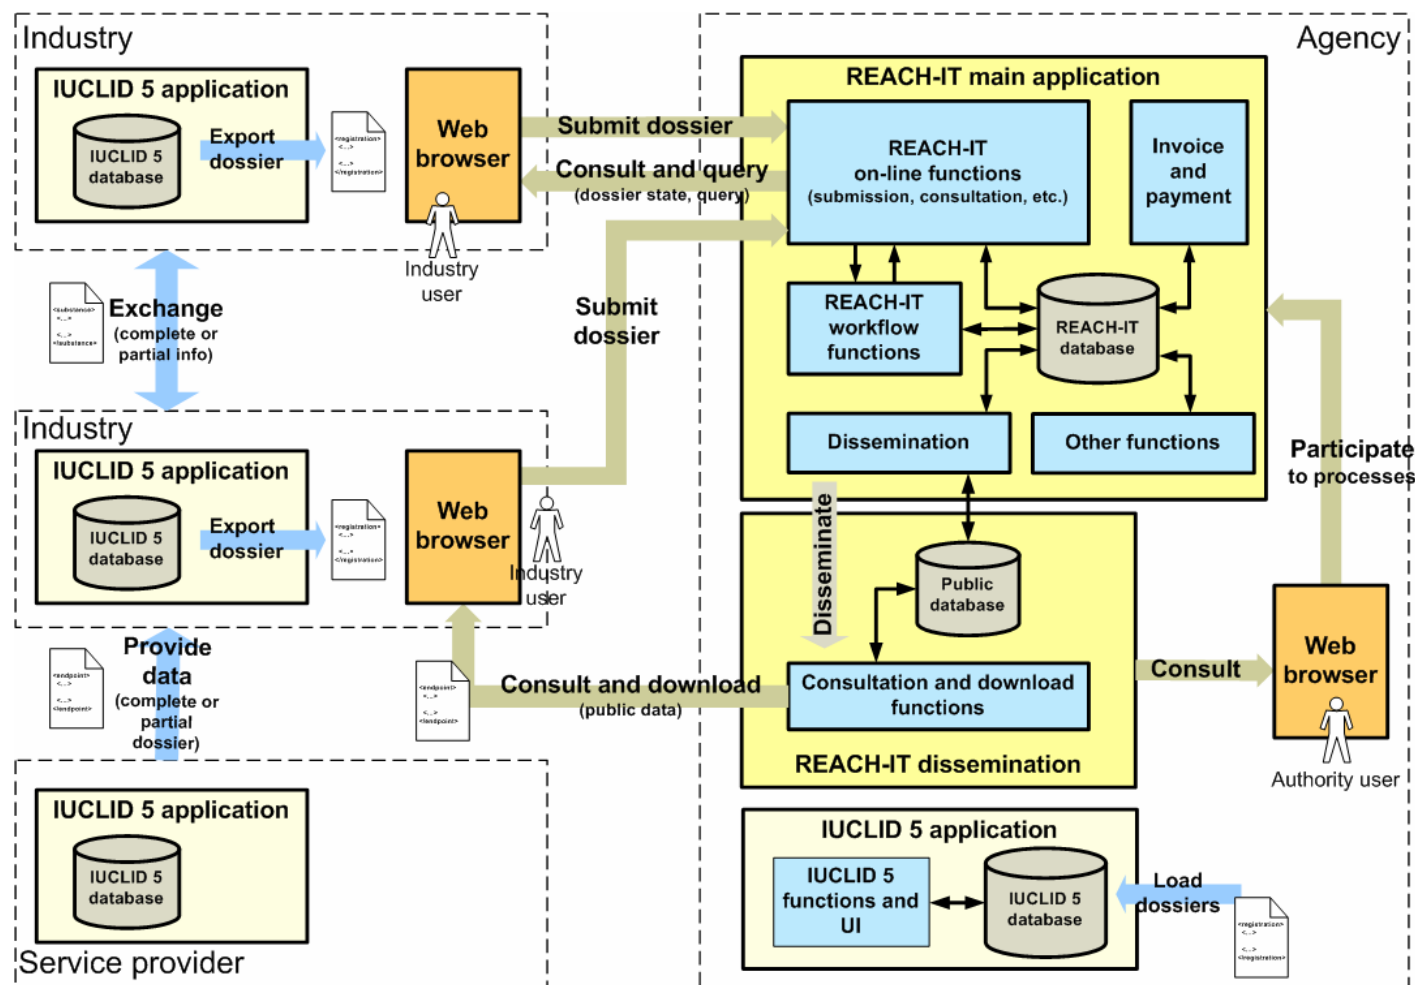

REACH-IT. ¿Qué es y para quién/qué sirve?

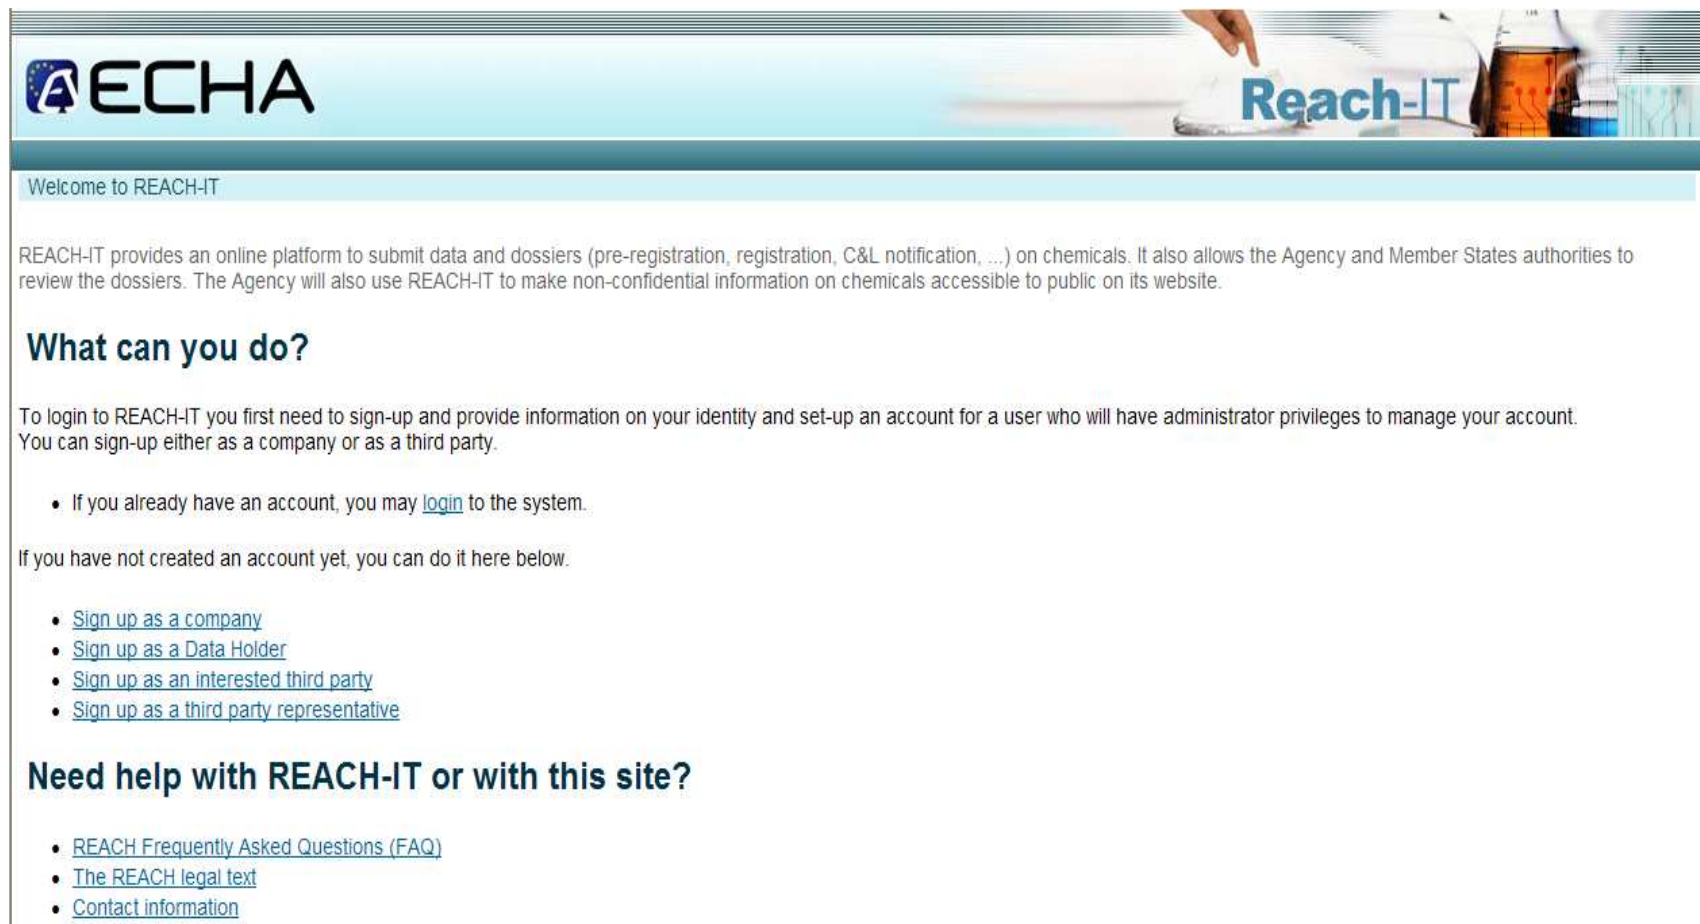

Es un sistema habilitado por la ECHA que ofrece soporte a:

- **ECHA y Autoridades Competentes de los Estados Miembros (MSCAs)**
 - Gestión diaria de los procesos relacionados con REACH
- **Industria (fabricantes, importadores, poseedores de información, etc.)**
 - Presentación de informes (prerregistro, registro, notificación, ...)
 - Gestión de la información (preparación de informes, comprobar el estado de las presentaciones, facturas, comunicados...)
- **Público en general, ONGs, usuarios industriales, etc. (Futuro)**
 - Información no confidencial de registros
 - Inventario de clasificación y etiquetado
 - Otros

REACH-IT. Homepage

ECHA

Welcome to REACH-IT

REACH-IT provides an online platform to submit data and dossiers (pre-registration, registration, C&L notification, ...) on chemicals. It also allows the Agency and Member States authorities to review the dossiers. The Agency will also use REACH-IT to make non-confidential information on chemicals accessible to public on its website.

What can you do?

To login to REACH-IT you first need to sign-up and provide information on your identity and set-up an account for a user who will have administrator privileges to manage your account. You can sign-up either as a company or as a third party.

- If you already have an account, you may [login](#) to the system.

If you have not created an account yet, you can do it here below.

- [Sign up as a company](#)
- [Sign up as a Data Holder](#)
- [Sign up as an interested third party](#)
- [Sign up as a third party representative](#)

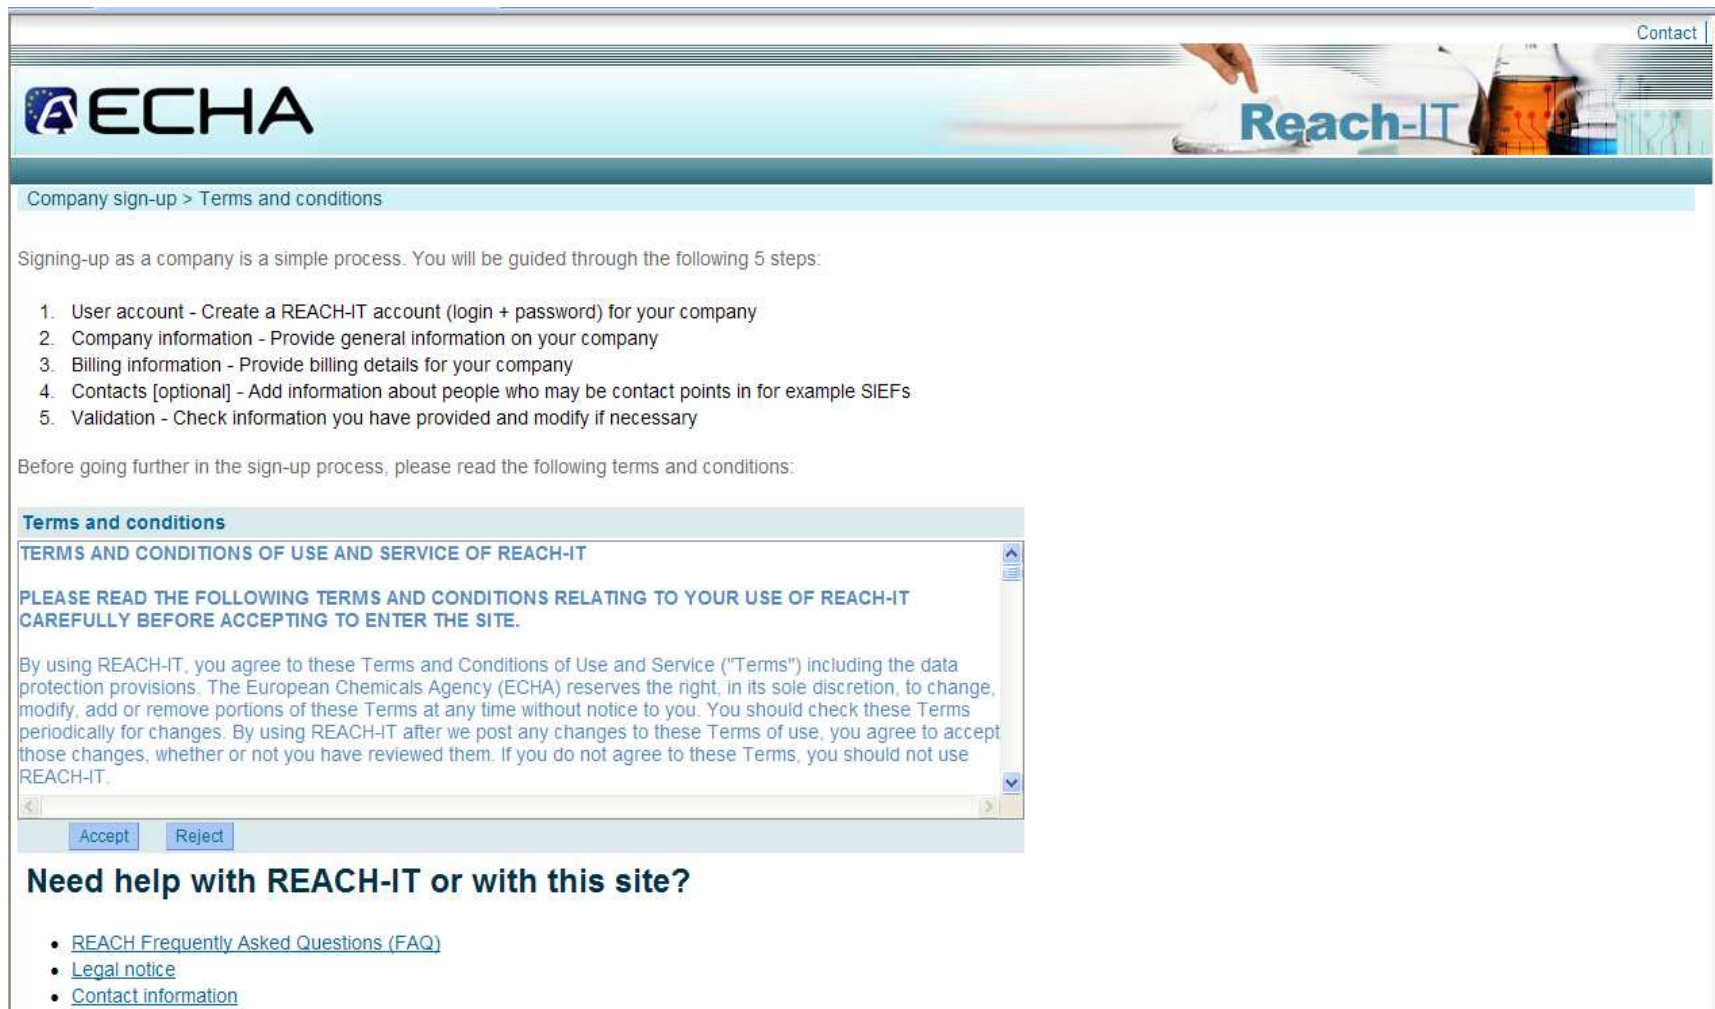

Need help with REACH-IT or with this site?

- [The REACH legal text](#)
- [Contact information](#)

REACH-IT. Inscripción

- **Compañía:** Fabricantes, importadores, usuarios intermedios y/o representantes exclusivos.
- **Poseedor de información:** Cualquier parte que tenga información relevante sobre sustancias (universidades, F/I < 1 ton/año, etc.)
- **Parte interesada:** Cualquier parte que quiera participar en ciertos procesos aportando información (ONGs).
- **Tercera parte representante:** Participa en las actividades de comunicación con fabricantes, importadores o usuarios intermedios en nombre de una compañía que desea mantener el anonimato.

REACH-IT. Inscripción

The screenshot shows the REACH-IT registration page. At the top, there is a banner with the ECHA logo on the left and a hand pointing to a document labeled 'Reach-IT' on the right. Below the banner, the page title is 'Company sign-up > Terms and conditions'. The main content area contains a list of five steps for signing up as a company. Below the list, there is a section for 'Terms and conditions' with a scrollable text area containing the full terms and conditions. At the bottom of the terms and conditions section, there are 'Accept' and 'Reject' buttons. Below the terms and conditions section, there is a heading 'Need help with REACH-IT or with this site?' followed by three links: 'REACH Frequently Asked Questions (FAQ)', 'Legal notice', and 'Contact information'.

Contact 

ECHA

Reach-IT

Company sign-up > Terms and conditions

Signing-up as a company is a simple process. You will be guided through the following 5 steps:

1. User account - Create a REACH-IT account (login + password) for your company
2. Company information - Provide general information on your company
3. Billing information - Provide billing details for your company
4. Contacts [optional] - Add information about people who may be contact points in for example SIEFs
5. Validation - Check information you have provided and modify if necessary

Before going further in the sign-up process, please read the following terms and conditions:

Terms and conditions

TERMS AND CONDITIONS OF USE AND SERVICE OF REACH-IT

PLEASE READ THE FOLLOWING TERMS AND CONDITIONS RELATING TO YOUR USE OF REACH-IT CAREFULLY BEFORE ACCEPTING TO ENTER THE SITE.

By using REACH-IT, you agree to these Terms and Conditions of Use and Service ("Terms") including the data protection provisions. The European Chemicals Agency (ECHA) reserves the right, in its sole discretion, to change, modify, add or remove portions of these Terms at any time without notice to you. You should check these Terms periodically for changes. By using REACH-IT after we post any changes to these Terms of use, you agree to accept those changes, whether or not you have reviewed them. If you do not agree to these Terms, you should not use REACH-IT.

REACH-IT News:

[REACH-IT closed for maintenance](#)
11/09/2009
REACH-IT will be closed on Monday 21 September between 08:00 and 14:00 EET
ECHA apologizes for any inconvenience caused.

[REACH-IT closed for maintenance](#)
26/08/2009
REACH-IT will be closed on Monday 31 August between 08:00 and 10:00 EET
ECHA apologizes for any inconvenience caused.

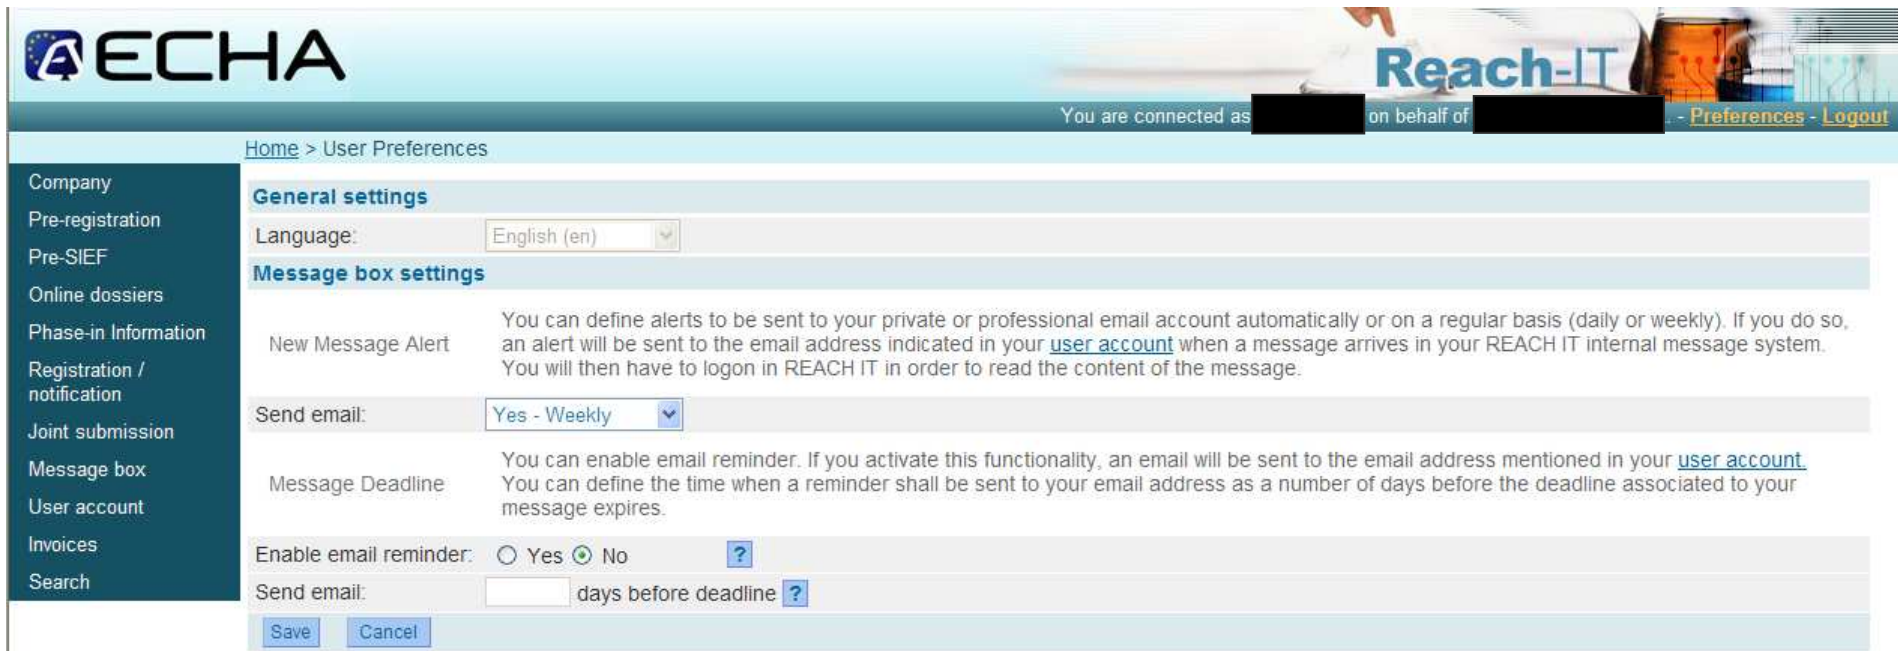

[REACH-IT maintenance break cancelled](#)
21/08/2009
REACH-IT was scheduled for a maintenance break on Monday 24 August between 08:00 and 10:00 EET.
The maintenance break has been cancelled.

[The clock is ticking - Form your SIEF now](#)
16/06/2009
If you have pre-registered a substance with a 2010 registration deadline and you are not yet active in your SIEF, you need to act now. If you are a Lead Registrant please inform ECHA about your election. On the other hand, if you do not intend to register by 1 December 2010 you need to change your status in REACH-IT.

[Data Submission Manual 5 has been updated](#)
19/05/2009
Data Submission Manual 5: How to complete a technical dossier for registrations and PPORD notifications has been updated. This manual outlines the IUCLID 5 sections/fields to be filled in in order to prepare a complete dossier according to Article 20(2) of REACH. The changes made in this version 2.0 are listed on page 2 of this manual. The main changes concern the reference substances (IUCLID sections 1.1 and 1.2), the general approach to complete the endpoints sections (IUCLID sections 4 to 8) and the information to provide in the block "Results and Discussions" (annex 2 of this

New Message Alert
You can define alerts to be sent to your private or professional email account automatically or on a regular basis (daily or weekly). If you do so, an alert will be sent to the email address indicated in your [user account](#) when a message arrives in your REACH IT internal message system. You will then have to logon in REACH IT in order to read the content of the message.

Send email:

Message Deadline
You can enable email reminder. If you activate this functionality, an email will be sent to the email address mentioned in your [user account](#). You can define the time when a reminder shall be sent to your email address as a number of days before the deadline associated to your message expires.

ACCESO Y DOCUMENTOS DE ORIENTACIÓN

IUCLID 5

IUCLID 5. ¿Qué es?

International Uniform Chemical Information Database.

Es una aplicación informática gratuita para:

- **Administrar los datos de las propiedades intrínsecas y de peligrosidad de las sustancias químicas.**
- **Elaborar informes para las autoridades reguladoras.**

IUCLID 5. Utilidad

- REACH
- CLP
- Directiva sobre biocidas
- Programas HPVC de la OCDE
- Programa HPV Challenge de la EPA de EE.UU.
- Programa Challenge Japón

IUCLID 5. Utilidad REACH

Industria:

- **Elaborar expedientes completos y conforme al REACH.**
- **Administrar datos in situ.**

ECHA, Comisión Europea, Autoridades Competentes:

- **Recibir, procesar y administrar expedientes.**

IUCLID 5. Información

Tipo de información:

- **Relacionada con la empresa/organización**
- **Relacionada con las sustancias**
- **Informes de evaluación (adjuntos)**

IUCLID 5. Información

Empresa/organización (Entidad jurídica oficial/no oficial)

- **Nombre, dirección y otros datos de contacto (personas)**
- **VAT (CIF) o DUNS y UUID**
- **Ubicación de los locales de fabricación y de uso propio**

Toda la información creada o importada en IUCLID está siempre asociada a una empresa/organización.

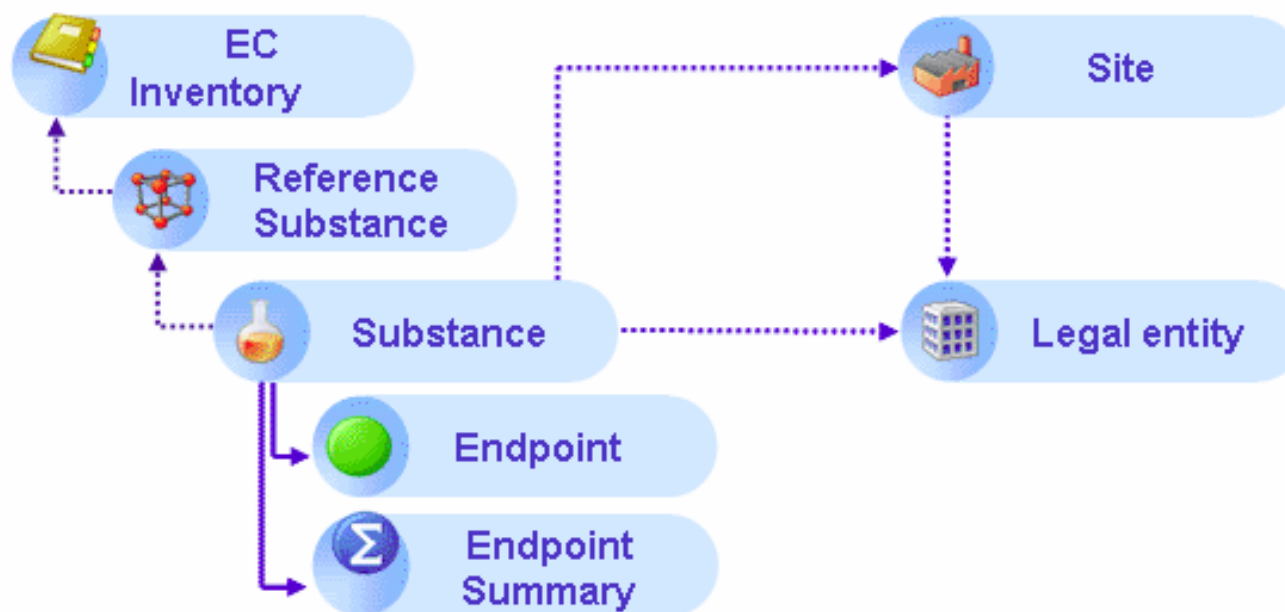

IUCLID 5. Información

Sustancias

- Entidad jurídica
- Emplazamiento de entidad jurídica (producción o uso)
- Sustancia de referencia: vinculación de la información a una sustancia basada en el Inventario CE, o de nueva creación.
- Información general (no relacionada con parámetros)
- Información relacionada con parámetros.

IUCLID 5. Información

IUCLID 5. Información

Información general (no relacionada con parámetros)

- **Identidad de la sustancia**
- **Información sobre otros conjuntos de datos**
 - **Plantilla**
 - **Mezcla**
 - **Categoría**
- **Fabricación, uso y exposición**
- **Clasificación y etiquetado**

IUCLID 5. Información

Información relacionada con parámetros

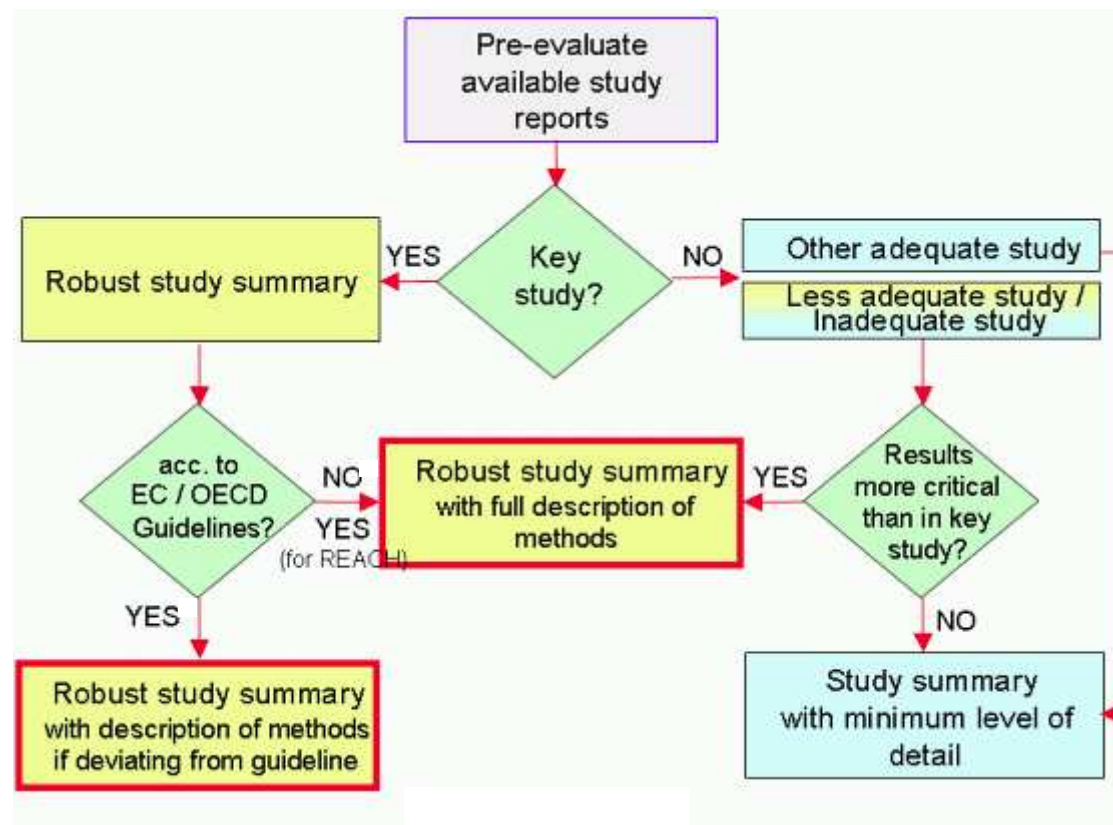

Parámetro*: requisito de información o punto de datos respecto a las propiedades físico-químicas de las sustancias, destino final en el medio ambiente y comportamiento, información ecotoxicológica y toxicológica e información específica.

Contexto REACH

Modelos de expediente técnico al que se refiere el artículo 10, letra a, que incluirá resúmenes de estudios y resúmenes amplios de estudios de la información derivada de la aplicación de los anexos VII-X.
